

DONATE TO SOCIALIST ALLIANCE

Socialist Alliance is standing in the 2022 federal election and we need your support.

In the far north Queensland seat of Leichhardt, Socialist Alliance is running Kuku Yalanji woman Pat O'Shane. Pat has been a teacher, university chancellor and was Australia's first Aboriginal magistrate. She has been voted as one of Australia's living treasures by the National Trust and in 2021 was awarded a NAIDOC Lifetime Achievement Award for her tireless and longstanding advocacy and support of her community.

Socialist Alliance is also running in the Queensland, NSW, Victorian and WA Senates, in the NSW seat of Sydney, the Victorian seats of Wills and Corio and the WA seat of Fremantle.

We are all hoping that this election will finally see the end of this anti-worker, coal-loving, racist government.

But we can't be content that the only alternative is a slightly paler shade of the same thing. The Labor Party shares the Liberals' commitment to locking up refugees and boat turn backs and supports the Liberals' planned tax cuts for the wealthy.

On climate change, the Labor Party is only a modest improvement on the Coalition. It supports the opening up of new coal and gas projects including the Adani mine and the massive injection of carbon into the atmosphere that it will cause.

Australia is one of the world's wealthiest countries. It also has more than a million people un- or under-employed. It has all the material and human resources to carry out a rapid transition to a carbon neutral economy while simultaneously cutting our unemployment problem.

Socialist Alliance supports a massive expansion of public transport. This is urgently needed, not just to make our cities more livable, but to reduce air pollution and provide useful jobs.

Socialist Alliance supports returning energy companies to public hands. This can take them out of the control of the profiteers and allow energy policy to be directed to generating affordable energy and allow us to make the switch to 100% renewables.

Our candidates are activists and pledge to only take the wage of an average worker if elected. Our approach to the role of an elected representative – whether at local, state or federal level – is to work and struggle with communities to defend their interests and to build their confidence to fight back.

For more information about our candidates and policies, check our website at socialist-alliance.org.

Elections are expensive (just the deposit to be able to run is \$2000 for each candidate) so we are appealing supporters and progressive-minded people to donate to our campaign.

You can donate online at socialist-alliance.org/donate; by sending in a cheque, money order or credit card details with this form; by phone at (02) 8070 9331; or by direct deposit to Socialist Alliance, BSB 062-018, Acc No. 10109498. **Please remember donations of more than \$2 are tax deductible up to the amount of \$1500.**

In solidarity,

Sam Wainwright

Socialist Alliance national co-convenor and candidate for the seat of Fremantle
